Re: Cook v. General Electric Co., et al.

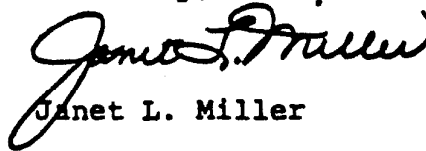

Dear Ms. Henderson:

As set forth in our letter of April 1, 1985, Brush Wellman Inc., formerly known as Brush Beryllium Company ("Brush") demanded that, pursuant to Contract No. AT (30-1) 541 between the Atomic Energy Commission and Brush, the government defend, indemnify and hold Brush harmless in the above-captioned matter. This letter is to confirm the government's position as related by you during our telephone conversation on Friday, July 12, 1985.
